### RACLETTE WITH A DIFFERENCE

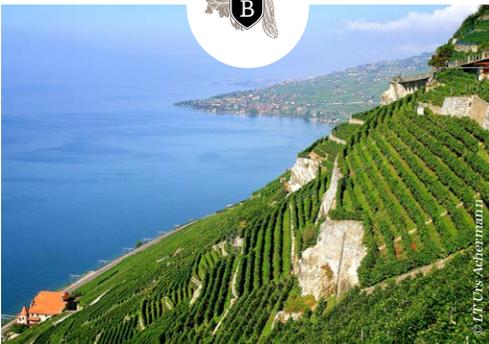

*Bürgenstock Hotels & Resort | Lake Lucerne*

We will whisk you away by helicopter on a breath-taking flight over the Alps. After landing at an exclusive location, your personal chef will prepare and serve authentic Swiss raclette accompanied by gourmet charcuterie and selected Champagne.

### LET'S FLY AWAY

*Hotel Schweizerhof Bern & Spa | Bern*

Experience the Alps from an unforgettable perspective with a private Alpine balloon flight. Discover Bern from a different angle, glide along the beautiful region of Jura or fly over a scenic lake landscape. Round off your day with a dinner at the legendary Jack's Brasserie and a signature cocktail on the Sky Terrace with unique panoramic 360° views of the city of Bern.

### LAVAUX WINE BREAK

*Royal Savoy Hotel & Spa | Lausanne*

Located in the west of Switzerland, Lausanne has fully adopted the French "savoir-vivre". A private chauffeur will bring you to the picturesque UNESCO World Heritage Site of Lavaux, where terraced vineyards offer heavenly views of Lake Geneva and alpine peaks. Spend an unforgettable day visiting a winery, tasting the bottled gems and enjoying a picnic with local specialties.
